## Ex. 6 - Personal Privacy

**Hello everyone – setting up this weekly coordination meeting between EPA Region 5 and MDEQ. Will hold meetings as needed. Please let me know if there is a problem with this timeslot for a recurring meeting; this was MDEQ’s preferred time based on other coordination meetings with the State and Wolverine.**

**Meeting Purpose:** Weekly check-in meeting for EPA Region 5 to discuss MDEQ’s efforts with Wolverine and to provide MDEQ with technical assistance, especially with PFAS and drinking water issues. Agenda to be developed by Heather in consultation with Abby prior to meeting. Team members should feel free to let Heather know of any specific items for discussion that can be included in the agenda.
